## Minutes of the Parish Council Meeting

PCSO Straker has recently left and now being a good opportunity to contact Chief Inspector Forbes, Cllr Poole asked for support from the Council asking if the PCSO would be replaced and ask for confirmation and reassurance that the Neighbourhood Policing Team would stay in place.

Cllr Foster went on to say that as a member of the Police Scrutiny Panel he could see a detrimental effect on the Ridge team as an outcome of the review. The PCSO's are invaluable and have formed good relationships with the younger generation in the village.

Cllr Sheppard explained that there have been several weeks of horrendous behaviour from youths knocking on the village hall doors and windows and shouting abuse and playing music through the letter box. The police have been contacted numerous times and all incidents have been reported.

**It was resolved that** the Parish Council write to Chief Inspector Forbes listing the recent incidents justifying the need for the current team to stay as it is to provide support to the village.

### 163. Report from Local Councillors

Apologies received from Cllr England.

Cllr Foster provided an update to the Council on the status of the Gainsthorpe quarry planning application – residents and the applicant have had discussion and in agreement with the planning officer conditions have been agreed to be placed on the application.

If the application went down the planning committee route and was approved these conditions would not be included so therefore it is suggested that delegated powers are given for the planning officer to make the decision. Subject to the comments received by the Parish Council when this is discussed later on in the agenda Cllr Poole would be withdrawing his request for this to go to planning committee and to be determined instead by the officer.

Both Ward Cllrs emphasized how much valuable and the superb work that Cllr Charlton and his wife as residents had done to reach this good outcome to which Cllr Charlton also thanked the Ward Cllrs for their background support.

Cllr Poole stated it was good to be back to work and thanked the Council for their get well card.

Cllr Poole also asked for any priorities for the area that Hibaldstow may require. Agenda item for the next meeting.
